CMVP® Training and Exam
Dubai, UAE, December 1-3, 2015

The International Institute for Energy Training is pleased to announce a CMVP® training & exam to be held on December 1-3, 2015, in Dubai, UAE. The program is offered by the Efficiency Valuation Organization (EVO®) in collaboration with IIET as the delivery agent and the Association of Energy Engineers (AEE) as the certification body. This session will be held in English.

OVERVIEW

The Efficiency Valuation Organization is an international non-profit organization that maintains the International Performance Measurement and Verification Protocol (IPMVP®).

The IPMVP is the leading international standard in M&V protocols, has been translated into 15 languages and is used in more than 100 countries. It is now typically cited as the basis for federal, state and utility M&V protocols.

Training and Certification Programs

EVO® provides training for M&V professionals in order to raise the standards in M&V. Using its international expertise, the organization develops special workshops and training programs tailored to the needs of specific regions.

EVO offers worldwide its L3 M&V training, based on its International Performance Measurement and Verification Protocol (IPMVP®), for the Certified Measurement & Verification Professional (CMVP®) certification awarded by the Association of Energy Engineers (AEE). The right to use the CMVP® title is granted to those who demonstrate proficiency in the M&V field by passing a 4-hour written exam and meet the required academic and practical qualifications. EVO's training is offered as preparation for the exam, and as a review of basic principles for experts.
ABOUT THE TRAINING

Attendee Benefits
In addition to the knowledge gained from the seminar, attendees will receive the following benefits:

› Printed copies of the seminar presentations
› Printed copies of the IPMVP or electronic copies can be downloaded on EVO Web.
› EVO Certificate of Attendance upon request
› Access to Subscriber Section of EVO web page for one year

CMVP Exam and certification
EVO Instructors will administer the four-hour CMVP® exam following the training. Those seeking the CMVP® designation must meet the following requirements (in addition to passing the exam):

› Have 4-year degree from an accredited university or college in science, engineering, architecture, business, law, finance, or related field plus 3 years of verified experience in energy or building or facility management, or measurement and verification; OR,
› Have Registered Professional Engineer (PE) or Registered Architect (RA) plus 3 years of verified experience in energy or building or facility management, or measurement and verification; OR,
› Have 4-year non-technical degree from an accredited college or university in a field not specified above plus 5 years of verified experience in energy or building or facility management, or measurement and verification; OR,
› Have 2-year technical degree plus 5 years of verified experience in energy or building or facility management, or measurement and verification; OR,
› Have 10 years of verified experience in energy or building or facility management, or measurement and verification; OR,
› Have Current Status of Certified Energy Manager® (CEM®).

Trainings and exam logistics

Fees
- Regular: USD $1,200
- EVO Subscriber: USD $1,100
- Certification exam: USD $400

Location
to be determined

Register easily at www.iiet.com.

Cancellation policy
IIET reserves the right to cancel the training 30 days prior the event in case there is no sufficient attendance.

Applicants must register for the CMVP® exam by submitting an application to EVO® in advance. If all eligibility requirements are met and a passing exam score is achieved, candidates will be granted CMVP Certification by AEE, the certifying body, in conjunction with EVO. Those who do not have this qualification at the time of the exam and who pass the exam will receive the title of CMVP-IT (in training). If they gain the necessary qualification within 6-years period, they will be able to apply for a full CMVP title free of charge.
